

Author Agreement Form

Please fill and return this form upon submission. Your manuscript will not be considered for peer review processing without completion and return of this form.

Manuscript title:

Conflict of Interest:

- Authors have no conflict of interest to declare.
 Authors have a competing interest to declare (please fill in box below):

Authors' Contribution (authors' name can be written abbreviated)

| | |
|----------------------------|--|
| Conceptualization | |
| Data curation | |
| Formal analysis | |
| Funding acquisition | |
| Investigation | |
| Methodology | |
| Project administration | |
| Resources | |
| Software | |
| Supervision | |
| Validation | |
| Visualization | |
| Original draft preparation | |
| Review and editing | |

Sources of Funding:

By signing this declaration, all the authors accept the rules of the **Physiology and Pharmacology** for publishing a scientific article and certify that:

- 1) All Authors have read and approved the manuscript being submitted;
- 2) The manuscript is authors' original work;
- 3) The manuscript has not received prior publication, in whole or in part, and is not under consideration for publication elsewhere;
- 4) All authors listed on the title page have contributed significantly to the work, have read the manuscript, attest to the validity and legitimacy of the data and its interpretation, and agree to its submission;
- 5) All authors agree that author list is correct in its content, order and contribution statements. Any post-submission modification in author list requires a formal request from corresponding author, detailed reason and agreement from all authors;
- 6) All authors accept that the editorial board decisions over acceptance or rejection or in the event of any breach of the Principles of Ethical Publishing in Physiology and Pharmacology being discovered of retraction are final;
- 7) The article will be published **open access** under the **CC BY-NC 4.0** license which permits all parties to copy, share, or redistribute the content, without permission or fees, for non-commercial purposes, as long as the author(s) and original source are properly cited;
- 8) The authors **transfer all copyrights** in and to the manuscript named above in all forms and media, now or hereafter known, to the Iranian Society of Physiology and Pharmacology, **effective if and when the paper is accepted for publication** in Physiology and Pharmacology. The authors reserve all proprietary right other than copyright, and they will have the right to share their article in the same ways permitted to third parties under the CC BY-NC 4.0 license;
- 9) On behalf of all co-authors, the corresponding author shall bear full responsibility for the submission.

Declaration of Preprint

- This manuscript has not been posted as preprint.
 This manuscript has been posted as preprint (please disclose the licensing terms, DOI and URL link in box below):

List of Authors (in order of appearance in the paper)

| Authors | First name | Family Name | E-mail* | Date and Signature** |
|---------|------------|-------------|---------|----------------------|
| | | | | |

* For all authors, academic email is preferable. For corresponding author, academic email is mandatory. ** The corresponding author may sign on behalf of all authors or unavailable author(s), but by doing so attests that all coauthors agree to the terms and responsibilities outlined.
